OUR SERVICE

INSPECTION & MAINTENANCE

We provides a comprehensive machinery refurbishment service that includes refitting and replacing wear-out and broken parts.

Our professional technicians handle repairing, painting, reconditioning, and general maintenance to ensure each construction equipment meets clients' required conditions.

PERFORMANCE TEST

Our professional QC team performs a comprehensive test of 15+ crucial components, including the engine, pump, boom, walking system, and other key parts of your construction equipment.

The whole machine will be debugged and calibrated before delivery to ensure the proper condition.
